Dear Mrs. Allen:

It is my pleasure to inform you that Allen Family Living, Inc. has been accredited by CARF International for a period of three years for the following services:

Community Integration
Host Family/Shared Living Services
Respite Services

This accreditation will extend through October 2018. This achievement is an indication of your organization's dedication and commitment to improving the quality of the lives of the persons served.

Mrs. Allen, please also be advised that the CARF surveyors made no recommendations, which signifies that they did not identify any areas of nonconformance to the standards. This is an extraordinary accomplishment, as only 3 percent of CARF surveys result in no recommendations.

Everyone involved in your organization should take pride in achieving this high level of accreditation. CARF will recognize this accomplishment in its listing of organizations with accreditation, and we encourage you to make this accomplishment known throughout your community. Communication of the accreditation to your referral and funding sources, the media, and local and federal government officials can promote and distinguish your organization. Enclosed are some materials that will help you to publicize this achievement.

The survey report is intended to support a continuation of the quality improvement of your services. It contains comments on your organization's strengths as well as consultation (if any) you may consider.

Your organization's complimentary accreditation certificate will be sent separately. You may use the enclosed form to order additional certificates.

If you have any questions regarding your organization's accreditation, you are encouraged to seek support from the resource specialist, Danielle Fauland, by email at dfauland@carf.org or telephone at (888) 281-6531 (toll free), extension 7171.

We encourage your organization to continue fully and productively using the CARF standards as part of your ongoing commitment to accreditation. We commend your commitment and consistent efforts to improve the quality of your services. We look forward to working with your organization in the future.

Sincerely,
